

Bulk rates for Meter and Ceadúnas customers

Volumes of 200 items upwards
1st March 2025

An Post has four discount services available to volume customers who pay their postage by Ceadúnas or by Meter machine. These discounts are based on **speed of delivery, what is being sent and the volume being sent in a single mailing.**

Letter

Specified dimensions

No larger than C5 (holds an A4 sheet of standard paper folded), weighing no more than 100g. Heavier or larger items may be classed as a large envelope, packet or parcel.

Minimum dimensions

140mm x 90mm x 0.18mm (with a tolerance of 2mm)

Maximum dimensions

235mm x 162mm x 5mm

Maximum weight

100g

To avail of these discounts, the following criteria must be met:

- Mail must be presented at a time that facilitates off-peak processing and sorting.
- Mail must meet the size and weight dimensions detailed in this brochure.
- Mailing must meet the volume requirement for the specified service in a single mailing within the Republic of Ireland.

Please note that An Post offers separate discounts to volume posters of direct mail and publishers of magazines and periodicals. These are separate service offerings and cannot be availed of in conjunction with the discounts outlined in this brochure.

Volume based pricing

The discounts offered by An Post are linked to the volume of mail a customer is sending in a single mailing. Naturally the level of discount increases as the volume of a single mailing increases. Entry level thresholds depend on the mail type being sent; Letters, Large Envelopes and Packets. When presenting mail to avail of discounts, it is permissible to combine both letters and large envelopes of various weights in order to exceed the 200 item threshold only. Packets of different weights may also be mixed to reach the 200 item packet threshold. To avail of the discounts for 2,000 plus item mailings, the mailing must be made up of items of a single format only; i.e. letters or large envelopes of a single weight band. For further information please go to www.anpost.com/bulkmail

The entry level volume for the various discounts are listed below:

DISCOUNT NAME	USO			
	SPEED	ECO	IMPACT	PRE-SORT
Letter	200	200	200	10,000
Large Envelope	200	200	200	N/A
Packet	200	200	N/A	N/A

Sorting requirements

It is important to distinguish between the processing and the sorting of mail by the automated equipment used by An Post to ensure the criteria for volume discounts are met.

Mail Centres and Acceptance Offices

Speed

Mail must be presented before 3pm at one of the Mail Centres or An Post Acceptance Offices. Letters and Large Envelopes must be capable of being processed, by automated equipment, with at least 85% of it sortable to its destination by automated equipment.

Eco

Mail must be presented before 3pm at one of the Mail Centres or An Post Acceptance Offices. Letters and Large Envelopes must be capable of being processed, by automated equipment, with at least 85% of it sortable to its destination by automated equipment. In addition, mail must be presented two working days in advance of the working day on which delivery is required.

Impact

Mail that is not capable of being processed by automated equipment and is presented before 3pm at one of the Mail Centres or An Post Acceptance Offices. In addition, mail must be presented three working days in advance of the working day on which delivery is required.

Pre-Sort

Mail that is not capable of being processed by automated equipment, but is already sorted into the An Post 151 pre-sort specifications and is presented before 3pm at one of the Mail Centres or An Post Acceptance Offices. In addition, mail must be presented three working days in advance of the working day on which delivery is required.

Automated Sorting Read-Rate

The ability of automated processing equipment to read the address on each mail item and sort it correctly is a function of a number of variables including the accuracy and legibility of the address, the font used and the spacing between characters that make up the address.

An Post has produced a brochure entitled 'Speed Up Your Post' which outlines the criteria that need to be met when posting large volumes of mail. Customers wishing to avail of the discounts should contact Customer Services on 01 705 7600 or log on to anpost.com where a copy of the brochure is available.
